Preface

We are pleased to present the proceedings from the 44th Boston University Conference on Language Development. We are honored to be affiliated with the conference and the proceedings this year.

Thank you to the National Science Foundation, National Institutes of Health, and Boston University’s Vice President and Associate Provost for Research for their support of the conference. We also wish to thank those members of the field who have made the publication of these proceedings possible—our valued authors—along with the panel of reviewers who gave their careful attention to the task of selecting this year’s conference participants.

Among the people who made BUCLD 44 a success were the faculty and students of the Boston University Linguistics Department. The contribution of our student volunteers was, as always, critical to the functioning of the conference. We are especially grateful to our conference chairs: Andre Batchelder-Schwab, Jessie Calkins, Danielle Dionne, Anna Lim Franck, Felix Kpogo, Madeline Thompson, Lee-Ann Vidal Covas, and Emily Yuda.

We would like to thank Michael Bernstein and Jeremy Thorpe of Cascadilla Press for their guidance throughout the editorial process, as well as Cascadilla’s continued support of the conference. Finally, we wish to both thank and acknowledge our faculty advisors, Professors Charles Chang, Paul Hagstrom, and Amy Lieberman, for their unwavering support and dedication to the ongoing success of the BUCLD.
